**Renewed Petition for Acceptance of an Unintentionally Delayed
Claim for Benefit of a Prior-Filed Application Under 35 U.S.C. § 120**

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. § 1.78(a)(3), and in reply to the Decision on Petition Under 37 CFR 1.78(a)(3) mailed October 18, 2004, Applicants hereby renew their petition to the Commissioner to accept an unintentionally delayed claim under 35 U.S.C. § 120 for the benefit of prior-filed International Application No. PCT/DK02/00459, filed July 2, 2002, and which designated the United States of America. The present application, which was filed December 29, 2003, is a Continuation of that international application. The Declaration/Power of Attorney submitted with the application included a claim for benefit under 35 U.S.C. § 120 to the filing date of International Application No. PCT/DK02/00459, filed July 2, 2002, as well as a foreign priority under 35 U.S.C. § 119 to Denmark patent application PA-200101047, filed July 3, 2001. However, Applicants did not amend the application to contain a reference to the prior-filed international application within the later of

four months from the date on which the national stage commenced in the international application or sixteen months from the filing date of the prior-filed Denmark application. In support of this Petition, the undersigned hereby states the following:

- (i) A (Substitute) Second Preliminary Amendment, which includes the reference to the prior-filed international application, identifying the international application by its application number and filing date, and indicating the relationship, by stating in a sentence immediately following the title that “This application is a continuation of PCT/DK02/00459, filed July 2, 2002”, is submitted herewith;
- (ii) A check in the amount of \$1,330.00, for the surcharge set forth in 37 C.F.R. § 1.17(t), was submitted with the original petition mailed on August 12, 2004, which petition is hereby renewed; and
- (iii) The entire delay between the date the claim was due under paragraph 37 C.F.R. § 1.78(a)(2)(ii), which is understood to be April 29, 2004, and today, which is understood to be the date on which the claim was filed, was unintentional.

Based on the foregoing, it is respectfully requested that this renewed petition be granted, the accompanying (Substitute) Second Preliminary Amendment be entered (in lieu of the Second Preliminary Amendment mailed on August 12, 2004), and the Applicants’ claim under 35 U.S.C. 120 for benefit of a prior-filed international application designating the United States of America be accepted. A Supplemental Application Data Sheet, which is the first application data sheet submitted for this application, is also submitted herewith. In the event any additional fees are necessary, kindly charge the cost thereof to our Deposit Account No. 13-2855, under Order No. 30120/32005.

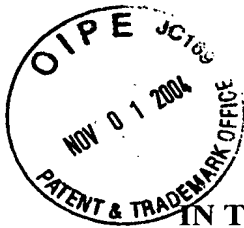

Dated: August 12, 2004

Respectfully submitted,
